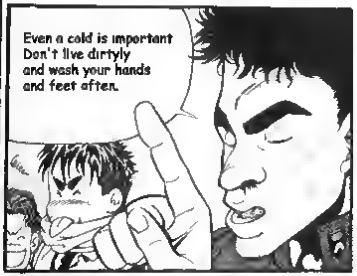
Teh. Teh Sao-suhnbeh
why don't you buy some cold medicine and get some rest?

A small cold like this won't affect Hyun Sahng Teh
Heh This guy

Caught a cold? Hyun Sahng Teh
Eh?



Even a cold is important Don't live dirtyly and wash your hands and feet often.

I washed often. I haven't even seen a drop of water on your head.
Heh

This bastard! That's because it was always blow-dried! And am I your friend? To speak to me improperly like that?
A suhnbeh should act like one.
퍽퍽

*(in Korea there are three years of high school beginning in 10th grade so 2nd year hs student is equivalent to our junior or 11th grader)

The second grade class room would be quiet if it wasn't for you.*
Jahng He-suhnbeh
Chang Mahn you should carry your weight as a subteach and act like one. Let s go
Woul Sahng Teh you bastard! We ll discuss about this later!
Hey~ Hyun Sahng Teh, you caught a col...!
COLD AGAIN!
I won t let alone anyone who mentions that in front of me again
I was gonna ask him if he fought Kahm Sahng Moon *

*Korean only joke... cold = kahngam as kahm of cold is dupd as kahm in name and the sentences begun similarly ^_^*

2 - 3
Wow~ this is certainly an honor
These suhbehs who are famous even by just the mention of their names come to check up on me like this

It's been awhile, Chun Geuk Do.
If you're talking about my leaving school and coming back, it was only a year.

You know why we came right?

It wasn't to check up on me?

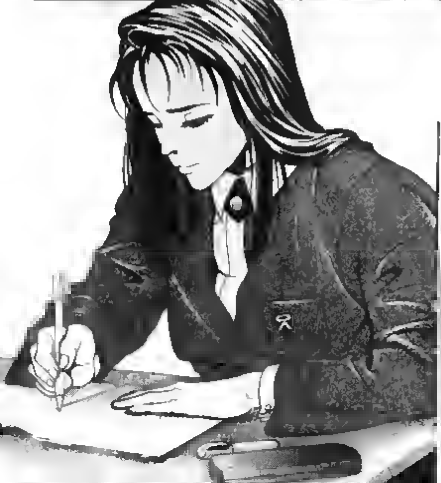
Everyone else is agreeing with the school's current condition.
Now that you're back in school, so should you.

It won't be everyone...
What's good is good, isn't it?
Let's try to do a good job here.
If we all do it, then everyone else is bound to follow.
You, Yoo Chang Mahn
You grew a lot!

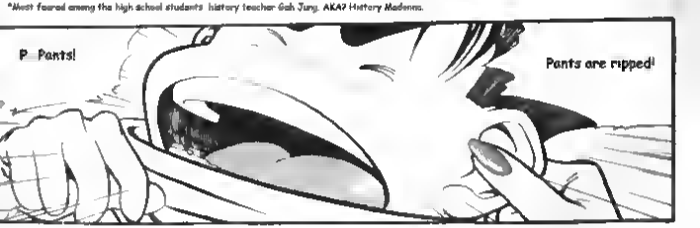
1
Ack!
When just last year you couldn't even hang around us..
Since this is the first day let's leave the talk where it is for now
We said "Please! help me" He run··.

Rest time is time to take a rest, idiot
Understand?
It doesn't look like this is gonna be easy
Gook Doh isn't the problem, the other bastards are.
Once the story gets out, the others will follow his example.
Ahh~ my feet is cramping
What's the matter?
They said to watch out closely.
Let's go

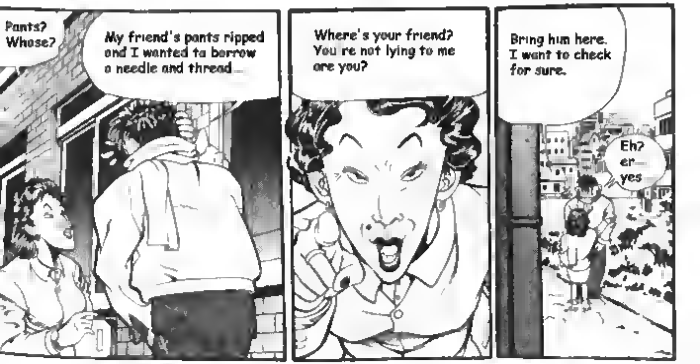
OoSuhng High School is divided into two separate boys and girls schools



What are you doing here?
I said what are you doing here?!
Uh th. that's
If you're done eating lunch go wait for your next class and not hang around here!
*Most feared among the high school students history teacher Goh Jung, AKA? History Madonna.

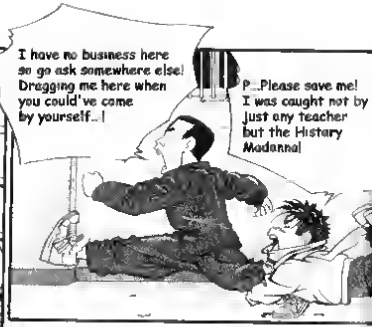


P...Pants!
Pants are ripped!



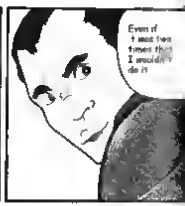
Pants? Whose?
My friend's pants ripped and I wanted to borrow a needle and thread...
Where's your friend? You're not lying to me are you?
Bring him here. I want to check for sure.
Eh? er... yes

Wh...
What are you saying? You want me to rip a pair of perfectly good pants!
And in that area...!
It just happened like that
Sniffle



I have no business here so go ask somewhere else! Dragging me here when you could've come by yourself...!
P...Please save me! I was caught not by just any teacher but the History Madamn!

I'll pay you back after school!



Even if I was two times that I wouldn't do it!

I'm begging you like this! Please
What's no is no. So if you get beaten down, that your business
Please
Sniffle
퍽퍽퍽

Are you really gonna be like this?
Then there's no other choice but to use force!

Force? Hah~ try it.

Then
Wh...
What
is this?
You said
to use force...?
I..I..I
have to dodge...
I'm the kind of guy
that does it if I say
I will!

OOOAAACCKKK~!
Look, ma'am. What I said was correct, right?
Sniffle
Uhhh~ What kind of embarrassment is this in front of the girl students?
Quiet!

That fatty will surely deliver it to Ji Hyun safely
Must be nice.

No words are necessary

You come at a good time!
This time I can say you tore your pants
That s not it... Dong Hyuk is getting beat right now!
Don t worry
That kid has to be beaten around a little bit.
Hmm now what part should I rip?
Wh... what did you say! By whom?
By third graders!* You know them too right? Why that guy that dropped out of school and just came back

*(in High School = seniors)
